

## Interactyx Limited's TOPYX is Named Best of Elearning! 2009 Award Winner

**TOPYX** BONITA SPRINGS, FL (EON – Enhanced Online News) — November 10, 2009 — We are proud to announce that Interactyx Limited's eLearning solution, TOPYX®, was named a Best of Elearning! 2009 award winner by Elearning! Magazine. TOPYX is an affordable eLearning 2.0 Software as a Service (SaaS) solution with integrated social learning, mobile learning and eCommerce functionality fulfilling the modern eLearning needs for corporate training, academic institutions, and small to midsize businesses.

"We would like to thank all of the voters and editors of Elearning! Magazine who nominated and selected TOPYX as a Best of Elearning! 2009 award winner," stated Alfred R. Novas, Chief Executive Officer of Interactyx Limited. "Over a very short period, TOPYX has gained an incredible amount of support across many key industries, domestically and internationally. It is wonderful that we are being recognized by Elearning! Magazine and its readership as a Best of Elearning! Award winner in our very first year in being nominated."

"In addition, we wish to thank our customers, employees and shareholders for their continued support, feedback and loyalty in TOPYX. Together, we continue to improve the eLearning experience for our learners," Novas added.

Elearning! Magazine received 1,755 nominations, twice the volume of last year's program, making each category very competitive. Winners were announced at the end of last week.

TOPYX has gained acceptance as the affordable, easy-to-use eLearning technology that combines traditional learning management system functionality with integrated social learning and eCommerce tools, all-in-one user-friendly, feature-rich Software as a Service (SaaS) application. The result is a collaborative, engaging learning experience for users, whenever they wish and wherever they may be.
