

Interactyx Limited Named a Finalist for Best of Elearning! 2009

TOPYX BONITA SPRINGS, FL — October 29, 2009—We are pleased to announce that Interactyx Limited has been named a finalist for the **Best of Elearning! 2009** by **Elearning! Magazine**. TOPYX® is an affordable eLearning 2.0 Software as a Service (SaaS) solution with integrated social networking, mobile learning and eCommerce functionality fulfilling the modern eLearning needs for corporate training, academic institutions, and small to midsize businesses.

“We are excited that TOPYX is quickly gaining acceptance in our core markets and is being viewed worthy as a finalist in less than nine months since our launch,” stated **Alfred R. Novas**, Chief Executive Officer of Interactyx Limited. “We know that our unique approach to combining the best social learning features with easy-to-use learning management system capabilities is a leading edge eLearning experience. Forward thinking organizations, combined with empirical evidence by third party evaluators, are quickly coming to the realization that collaborative, informal learning is powerful and desired by the learner.”

“We wish to thank Elearning! for its recognition of TOPYX, as well as our customers, employees and shareholders for their continued support and belief in the power TOPYX has in improving the overall eLearning experience.”

Interactyx Limited will be exhibiting at the **Fourth Annual Best of Elearning! 2009 Virtual Summit**. This event is open to the public and we welcome everyone to attend to discuss how the TOPYX eLearning solutions are revolutionizing how people interact and learn. Details for the free registration for the event are below:

- **Event:** The Elearning! Summit: Best of Elearning! & Best Practices in Enterprise Learning
- **Date:** November 5, 2009
- **Time:** 7:00am PST - 2:00pm PST (GMT - 08:00)
- **Register online by clicking here:** [Elearning! Summit](#)

TOPYX has gained acceptance as the affordable, easy-to-use eLearning technology that combines traditional learning management system functionality with integrated social networking and eCommerce tools, all-in-one user-friendly, feature-rich Software as a Service (SaaS) application. The result is a collaborative, engaging learning experience for users, whenever they wish and wherever they may be. Learn more about TOPYX solutions for corporations, academic institutions, associations and not-for-profit organizations of any size at www.interactyx.com.

interactive learning experiences to learners, businesses, academic institutions and organizations.

Since 1995, Interactyx has worked with learning providers to develop engaging learning solutions. Interactyx, the developer of TOPYX®, is at the forefront of developing eLearning and social networking solutions that engage learners and enhance collaborative learning environments. Our eLearning 2.0 technologies are paving the way in creating innovative tools to meet the needs of today's learner.

TOPYX is an affordable, fully hosted eLearning 2.0 Software as a Service (SaaS) solution with integrated social networking, mobile learning, and eCommerce. TOPYX improves the collaboration and communication aspects of the learning experience and creates a rich sense of community. Language localization of the platform is very easy, allowing deployment in many countries. Collaborative learning, mobile learning, cost savings and an environmentally friendly education distribution system are just some of the benefits of TOPYX.
